

# SECURITY POLICY

RIVA Solutions, Inc. is a contractor working with the federal government to provide innovative best practices in IT and management consulting, program support services and emerging technologies. RIVA Solutions, Inc. will ensure information security practices and guidelines are followed in accordance with both the corporate Information Management Security System (ISMS) plan and federal compliance regulations. To achieve these goals, RIVA Solutions, Inc. shall

- **Formulate and Implement information security objectives and monitor performance against these objectives.**
- **Closely adhere to information security compliance requirements, guidelines and processes for both our federal customers as well as for our enterprise.**
- **Adhere to a high standard of competence, professionalism and integrity for all information security related activities**
- **Follow and adopt security best practices for both our enterprise as well as federal customers.**

The Chief Information Security Officer (CISO) is responsible for maintaining the policy and providing support and advice during its implementation.

A handwritten signature in black ink that reads "Raj Dasgupta".

**Raj Dasgupta, CISO**

**V1.0**

**Effective 7/1/2018**
